

PRAGYA ACADEMY

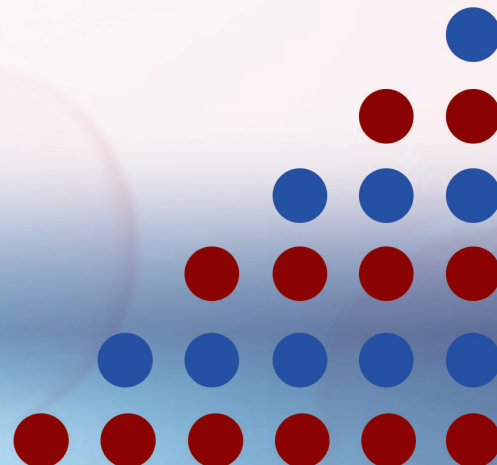

A Unit of Pragma Foundation

Transforming Education Transforming Career

ESTD-2013

PROSPECTUS

MESSAGE FROM THE CMD'S CUM FOUNDER DESK

I welcome all the students who choose to be a part of Pragya Academy. "Education is the knowledge not of facts, but of values. It is the most powerful weapon which we can use to change the world. It is the passport to the future for tomorrow belongs to those who prepares for it today"

We aim to provide an integral development of the whole person that nurtures them towards becoming strong and focused human beings, which also help them build up the quality of leadership, social responsibilities and commitment to nation building.

We procure a galaxy of competitive, talented and dedicated faculty which contribute to an enjoyable and an easy learning experience.

The talent and the energy which our students possess need to be nurtured, shaped and channelled in the right direction. Our combined efforts would bring out not only the best in their careers but the best in their lives. In this way we hope to support not only individuals but also the entire society.

**I wish Thank You for showing interest at Pragya Academy and
we wish a very rewarding experience here.**

DR. JUGAL CHANDRA GOGOI
CMD's Cum FOUNDER
PRAGYA GROUP OF INSTITUTIONS

MESSAGE FROM THE PRINCIPLE'S DESK

"Education is the key to success in life and teachers make a lasting impact in the lives of their students, it's not just preparation for life, but is life itself"

We aim to provide an environment which is rich in knowledge and supportive for their co-curricular activities that will help them to shine and grow up a good human being and a successful citizen.

With very congenial and professional environment our faculty makes substantial contribution to the academic through quality teaching, seminars, conference, group discussions, debates etc.

We help to instil in them a positive value system that shapes their attitude, outlook and conduct that provides a strong foundation for them to tackle the challenge of life.

I am very pleased to welcome you all at our creative and cooperative world of Pragya and I assure you that you will be proud of yourself as a confident and successful human being after the end of the session and stepping to a new vibrant world with full of challenges.

*I wish all our students and faculty a most blossoming and
spontaneous career. Thank You.*

MRS DITTY GOGOI
Principal
PRAGYA ACADEMY

ABOUT PRAGYA ACADEMY

Pragya Academy is operating under the umbrella of Pragya Foundation which has been involved in the field of education from last Ten years. It is an ISO certified registered college with a scope of offering a unique learning experience which bridges the gap between secondary and higher education.

At the College, we try to give our students the freedom to grow more responsible for their own learning, to manage their time wisely and to behave and act responsibly as befits a College student at all times, both within and outside the College.

Here we procure a good infrastructure facilities with an eco – friendly environment, well equipped classrooms, laboratories, libraries etc combined with competitive, talented and dedicated faculty and staffs who will guide our students to achieve a level higher.

Our educational system is personalized and inclusive, supporting students in accordance with your needs and inclinations.

Our vision is to emerge as a centre of excellence in imparting higher education to the younger generation of our country. We welcome everyone who is interested in learning and upgrading their future. We strongly believe in quality education with proper blend of education skills and human values.

Here individual attention and monitoring is the prime focus area that nourishes our students under the umbrella of affectionate care and sharp monitoring.

“Educating students for success in a changing world, future begins here”!

OUR OBJECTIVE

Our main objective is to guide our students with a blend of knowledge and supportive Co-curricular activities which will take them to a vibrant future and help them to become a responsible and positive citizen, that will help them to tackle and face all the challenges which come to their life.
